### **Who, What, When, Where, Why and How**

#### **Day 1**

Read through and pray over John 6:25–40.

Read John 6:25–27. Jesus is being pursued continually after feeding thousands with five loaves of bread and two fish. Jesus presses in on exactly what they are seeking. Read Isaiah 55:1–3. **What** is this food that Jesus is speaking of that endures forever? **What** exactly does this food feed in us? Are you seeking out your daily bread from the Lord.

#### **Day 2**

Read John 6:27. In this verse, Jesus identifies the source of this food that endures forever. Read 1 Corinthians 8:6 and Philippians 4:19. **Who** supplies this food that endures? **Who** supplies all of our needs? Are you looking to God or your own abilities to supply your needs.

#### **Day 3**

Read John 6:28–29. Upon hearing about this amazing and wonderful food that forever satisfies, the people question **how** do we obtain such a food. **How** does Jesus respond to this question? Read John 3:36, Romans 10:9 and John 3:16. **How** can you and I obtain this food?

#### **Day 4**

Read John 6:30–32. Jesus explained that belief in him whom God sent is the work of God. Continuing in their questioning, the people ask Jesus **why** should they believe him. Instead of looking and reflecting in awe of the miraculous things Jesus had done, they wanted more. They were so brazen as to require Jesus to prove himself on their terms. **Why** should you believe in Jesus? Is your belief contingent upon how Jesus responds to your terms?

#### **Day 5**

Read John 6:33–36. Finally the people respond, “okay, if you have it, give us this bread.” **When** can we see or eat it. **How** does Jesus respond? Read John 4, and recall also **how** Jesus responded to the woman at the well who wanted this eternal nourishment.

#### **Day 6**

Read John 6:37–40. The food that endures forever is eternal life with God. Jesus is the supplier. We get it by believing in Him. We believe because he died for us and rose again. We can have this food(eternal life) right now! So, **who** is this food for?

Take some time to reflect on Jesus as the Blessor and the Blessing. Not only does He provide all of our needs, He is all we need!
